July 2011

Hello Returning & Potential Sponsors!

At the end of OFT's fifth season we are thrilled by the success of our first year in the Washington Center Black Box Theatre. Our tickets were some of the hottest in town. We sold out many of our shows, and we served nearly 5,000 patrons.

Our success depends on the generosity of our business donors- people like you! With your financial support OFT can continue to serve our mission of making theater and youth enrichment programs accessible by:

- Keeping ticket prices affordable.
- Providing "Thrifty Thursdays" where all tickets are \$5.
- Offering a Complimentary Ticket Program that puts 250 tickets each year in to the hands of folks who might not otherwise be able to see live theater.
- Reaching out to the deaf community. This year we provided our first ASL interpreted show, and we plan to offer this opportunity regularly in the future.

The beginning of season six has us looking to expand our rental space to include a home for our office, rehearsals, camps, and costume and prop storage, which could also serve as a second smaller performance space for some of our youth programs and theater projects. We are also developing a touring program that will take OFT performances to schools to provide even more youth with access to the richness and variety of live theater.

Our continued, measured growth can only occur with the essential backing of our friends in the Olympia business community. We thank you in advance for becoming an OFT sponsor, or for continuing your generosity by renewing your sponsorship. We hope to see you at the theater!

Sincerely,

Olympia Family Theater
